Rick,

Dale just got the following response to their citrus Section 18 request. The timing couldn't be worse.

Just wanted to let you know.

Subject: Sulfoxaflor Citrus Specific Emergency Exemption (17TX04)

Hi Kevin,

As discussed earlier, please find attached BEAD's review of your recent specific exemption request for emergency use of sulfoxaflor on citrus to manage the transmission of Asian Citrus Pysllid in Texas. If you have any questions, please call or email.

Thanks,

Stacey
